For the purpose of this table:

- These figures do not represent the financial statements of the Foundation, nor have any legal value. Only the audited financial statements approved by the board and published on the website under the financial statements section are the valid and approved financial statements. These figures are posted for information purposes only and will be updated regularly, to ensure transparency of the foundation towards the public.

- These figures represent amounts received by the foundation up to 31 December 2021. It does not include amounts pledged or paid allocated to the campaigns through fiduciary partners that were not transferred to the Foundation before 31 December 2021.

- All amounts are mentioned in USD, but the amounts transferred by contributors may have been received in various currencies. The exchange rate used is the one at the time of the introduction of the said numbers in this table.

- All amounts are rounded and do not reflect the precise amount received.

- Donations are received from individual or legal entities, either through the online tools provided by the Foundation or via bank transfers.

- All donors listed have agreed to be mentioned in this table. If such approval was not given, the donors are mentioned under "anonymous donation". According to the Gift Acceptance Policy of the WHO Foundation, the donors are not anonymous to the Foundation.

- When one donor gave multiple contributions to the same purpose, the funds mentioned from this donor, in this table, are combined.

*These donations are mentioned "Anonymous", however, these contributions were donated through our fiduciary partners and we are in the process of seeking approval of donors to be mentioned in this table.
